

## Update on current world events

Most Christians have got the feeling that something is wrong with the system, but they just can't put their finger on it. What is Jesus currently doing – 'He is preparing a place for us'? What is He specifically doing? Christianity is in turmoil. Theologians from different organisations are speaking against one another.

Hebr 4:14 *'Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God.'*

One of the main reasons for a lot of the confusion going on in Christianity today is due to the fact that we don't understand the role **Jesus as High priest** is fulfilling.

For example, a pilot without an aeroplane – is basically someone with a good education. However, when given an aeroplane, he now becomes what he's supposed to be – a pilot. Jesus is our High Priest – which means He needs a temple to act out His role as High Priest in (much like a pilot needs an aeroplane). Various aspects of the Old Testament referred to Jesus, like the *Lamb*, the *Light of the world*, the *Bread*. What happened in the temple, when Jesus died?

Matt 27:50 *'Jesus, when He had cried again with a loud voice, yielded up the ghost. And, behold, the veil of the temple was rent in twain from the top to the bottom.'*

This veil was estimated at 6m high, as thick as a man's hand – signifying the fact that God tore it. Jesus dies whilst the veil tares on the inside of the temple. But why, what is the connection?

[Heb 10:19,20](#) The **veil** of the temple, represents **Jesus' flesh**, just like the **lamb** represents Jesus as the **Passover lamb** and the **bread** of life represents Jesus as the **Bread of Life**. As Jesus dies, as He's flesh dies outside on the cross, the veil tears. What were the **colours** of that veil?

There are **no co-incidences in the Bible** – there is a reason for every single detail.

Exodus 27:10 *'And for the gate of the court shall be hanging of twenty cubits of **blue** and **purple** and **scarlet** and fine twined linen, wrought with needlework: and their pillars shall be four and their sockets four.'* This is how you know you were in the holy place (because there are four pillars) – there are five in the most holy. Is that just by chance (those colours) or is there a deeper meaning involved? What are the colours of Christ – blue. What is blue specifically, what does it represent? What are the colours of the hore of Babylon – the woman that goes horing after other religions? Rev 17:4 *'And the woman was arrayed in **purple** and **scarlet** colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:'* (2 colours – purple and scarlet. What's missing? Blue). What does the blue colour represent in the Bible – we cannot guess, what does the Bible say?

Number 15:37-39 *'And the Lord spoke unto Moses saying, Speak unto the children of Israel and bid them that they make them fringes in the borders of their garments..and that they put upon the fringe of the borders a ribbon of blue..'* Why? *'that ye may look upon it and remember all the commandments of the Lord and do them'*. Therefore, the colour blue in the Bible refers to the **obedience of the commandments of God** and the following of that instruction.

Jesus dies on the cross outside and the veil tears inside. One of the characteristics of that veil is blue. One of the characteristics of the Ten Commandments is the **fourth commandment**. Is it *'thou shalt'* or *thou shalt not'*? No, it is *'Remember the Sabbath day'*. You see the fourth commandment today, even though it says 'remember' it's the one that Christians want to **forget**.

*'Moreover also I gave them my Sabbaths, to be a sign between me and them, that they might know that I am the Lord that sanctify them.'* – a sign, seal, stamp of approval between God and His people. You would have clearly recognised through these lectures how satan has attacked the Sabbath.

High priest of satins' church has got 2 spiritual colours. He cannot have blue, because he doesn't want to abide by the law of God. **Jesus** says, *'come onto Me and I will give you rest'*. The **papacy** says says no, no, *'come on to me, and i will give ye rest'*. [The Catholic Record](#), September 1, 1923 *"Sunday is our mark of authority..the church is above the Bible, and this transference of Sabbath observance is proof of that fact.'* The Lord says, Saturday (The Sabbath), is the sign, the seal, the oath, the mark that I am giving My people that they might know I am the One who sanctifies them. The papacy says, "no, get rid of that..Sunday is the mark of my system, that i am giving my people that they might know that i am the one who sanctify them. You see, there is an **obvious clash** here that is **not often recognised in Christianity** today. The Lord says, I demand respect for Sabbath. You need to make the decision. Who is your Lord that sanctifies you?

**CNN News: Pope demands respect for Sundays**

<http://www.bbc.uk/2/hi/europe/6986053.stm>

That might seem like a minor difference. People often come up to me and say *"you Sabbath keepers, according to the Bible you are right, but to me, it doesn't make a difference, it can be any day."*

But do you think it makes a difference to what the Lord thinks, or is it just about what YOU think? It was the same with **Cain**. He brought the absolute **best** he could bring to the Lord, but **did he give what God wanted?** No – the Lord asked for a **lamb** – that wasn't what he brought – God **couldn't accept it, no matter how good the intention**, as that is not what He asked.

For more than 160 years, the [7<sup>th</sup> Day Adventist Church](#) have proclaimed that there's one final prophecy waiting to happen, which is the '**Sunday Law**'. It's believed by this church, that the Sunday Law, will be brought in by governments worldwide and will bring in a **separation** between the **people of God** that **follow all the 10 commandments** and the people of God that **don't** including the rest of the world. It is going to be a **Civil law**, and over the years, this proclamation that the fourth Commandment is still valid and that the antichrist (**papacy**) is going to institute a Sunday Law, has brought **unbelievable ridicule** to the 7th Day Adventist Church. It's caused members of the church and members of the community to get up, laugh and walk out. Once again, if I presented this lecture 20 yrs ago, 1/3<sup>rd</sup> of the audience might have just laughed it off, and walked out. 10 years ago, people would probably have just laughed.

Today, all I'm showing you is [CNN](#) and [CBC](#) and [SKYNEWS](#) headlines. This stuff is happening in front of our eyes. Christianity today, generally believe that this commandment was given to only the **Jewish** people and therefore don't apply. However, when was this commandment given – was Noah a Sabbath keeper? Yes he was, was Noah a Jew? No. You see, this is where the confusion comes in. Christianity will say the Sabbath was given at mount Sinai in [Exodus 20](#). But it was only given to the Christians or to the Jews, on the tables of stone, and that's 6 chapters later. Which one is it? Did you notice that before mount Sinai, God's people were already tested on the Sabbath – in **Egypt**. You see the Sabbath commandment has been with God's people throughout history, but Christians today believe this is not the case. One of the pastors living close to me, from a different church, got very upset because his daughters bicycle was stolen. I just found that strange, that this upset him so, yet the 4<sup>th</sup> commandment does not bother him – **is it somehow written in smaller letters?**

[www.jesus-is-savior.com/the\\_nine\\_commandments.htm](http://www.jesus-is-savior.com/the_nine_commandments.htm)

### **The Nine Commandments of God** by David J Stewart

And God spake all these words saying..

1. Thou shalt have no other gods before me
2. Thou shalt not make unto thee any graven image
3. Thou shalt not take the name of the LORD thy God in vain.
- 4.
5. Honour thy father and thy mother
6. Thou shalt not kill
7. Thou shalt not commit adultery
8. Thou shalt not steal
9. Thou shalt not bear false witness against thy neighbour
10. Thou shalt not covet..any thing that is thy neighbour's

They say on their website that the fourth commandment was a **ceremonial law** that was only given to **Israel**. You see, the idea of the **sanctuary** is not really studied in Christianity today and specifically the characteristics of the veil. [Adventism](#) refutes that the fourth commandment has been taken away. The Lord is calling for **true worship according to His will, not man's will**.

Why would the papacy call governments worldwide to enforce a Sunday Law? Once again, look at the colour of the hore in Revelation and the colours of the veil. If the Bible is true, we should be able to go into the papacy and identify those colours. Here is shown [a photo](#) of a tiara that is given to the papacy, (the 3 lines indicate the crowning of the God of the Heaven, the god of the earth and the god of the underworld). It is decked with precious stones. [A photo](#) is shown of Benedict with his cardinals wearing a bright **scarlet** sash, his cardinals with **purple**. Another [photo](#) of the [Catholic University of America](#) on [www.home.fuse.net/gospel](http://www.home.fuse.net/gospel) with the baal-hadad (crescent moon) in the back, the pope with his scarlet, and the cardinals with their purple caps. All these photo's are purple and scarlet – that's all you will see on any photo's -over and over and over again.

You see the Bible is maybe actually TRUE!! I may need to ask these 2 questions from you. What colour is missing? – blue – why is it missing? Remember the Bible says that satan is a **thief** (meaning everything that belongs to God, he wants). How do you think satan will bring in the third colour (blue)? Through the **Blue Law**.

Go onto the [internet](#), look up Blue Laws – Blue laws are laws instituted in governments that **relate specifically to Sunday**. South African's Blue law was changed the other day. South Africans that previously could not buy any alcohol on a Sunday, can now buy it up to 14h00. Various governments have these laws, but they are **generally not enforced**, they are literally lying **dormant**, waiting for something to happen.

Rev 13: *'And he (antichrist) causeth all, both small and great, rich and poor, free and bond, to receive a **mark** in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.'*

The papacy is going to stop you and me from buying and selling, unless we receive his marks. What is the mark of the beast? It is not a microchip or barcode. This has nothing to do with worship. Jesus is asking for your worship and so is satan.

The **mark of the beast** is actually so simple to understand – you ask **God** to show you in His Word what His mark is and He says, *'I am the Lord of the **Sabbath**'*. And then you go to the **beast** and ask *'excuse me mr pope, what is the mark of your authority?' – "Sunday is our mark of our authority."* That understanding has led the [7<sup>th</sup> Day Adventist](#) to believe, for over 160 years, that the mark of the beast is a **Civilly Legislated Law** that will be brought in, to force you and me to observe **Sunday**, the Blue Law of the **papacy**, rather than **Saturday**, the Blue Law of **God**.

Why do I say, 'Civilly enforced'? Because you will not be able to **buy** and **sell**. The micro-chip is already in use, but this is NOT the mark of the Beast, that's just the **mechanism** by which the mark of the beast will be enforced. – Cash will possibly be removed soon. But please don't misunderstand this to be the mark of the beast. Sunday is the mark of the beast – as well documented and proven throughout these lectures in numerous of their own as well as public records.

How is this going to be done? The Roman Catholic organisation is a **religious** organisation, America's government is a **civil** organisation, and who do you think controls the buying and the selling? Let's take for example [Pick and Pay](#), are they the ones who's going to stop me from buying and selling? But who's going to be the one to stop them? If they don't have a connection back to the **bank**, they cannot do any business. The bank is going to stop [Pick and Pay](#) who will be stopping you.

So how will a religious organisation (Catholic Church) request civil governments, to stop private (as in market-related) banking institutions to stop operations on Sundays? This is what has caused the ridicule through the years.

To understand that, we need to go back to 1948, to the preliminary draft of the [World Constitution](#). It was put into congress by [Senator Glenn Taylor](#) in 1950. *"The age of nations must end..The governments of the nations have decided to order their separate sovereignties into **one government** to which they surrender their arms. "*

At 1950 already it was decided that worldwide governments are going to give up their power to one world power. What's happened since then? Various nations, States, Regions and groups have been coming together – to form the **European Union** (Euro), **American union** (Did you know the **Ameru** is the new currency of the north-American continent), **Pacific Union** and **African Union**. Unions bringing countries together under the auspices of a single world government headed up by the **United Nations, The World Bank, The World Military System** etc.

For most people, especially Americans, the thought of an American Union is just a **conspiracy theory**. Up to a year ago, I probably would have spoken and said *"this is coming"*. Now I can show you a [photograph](#) of the Ameru – on it is the 'statue of liberty – sitting, she has 3 **fasciae**, one big one under her elbow, two that she's sitting on on the either side of the word liberty and the fasciae (those who watched the dvd will remember) that this is a symbol for fasciasism. Mussolini had it on his stamps, as did Hitler. This is the symbol for **all power under one man**. The reverse side of the coin – **The Union of North America**. The twenty Amero Coin. Down at the bottom right you'll see the 'D' – Minted at the **Denver Mint Colorado**. This might come as a surprise – unfortunately, that is what should happen.

In order to bring in the Ameru, they have to have some sort of **financial problem/crisis**, specifically in America, but also worldwide. The dollar needs to be brought to its knees, so that the solution of a new currency could be brought in and to get people to hand in their dollars for this new currency. I know!! This is probably sounding like a typical conspiracy theory, but bare with me..

It's not only the American union bringing out the new currency, it's also in South Africa – we are known as a **SADEC** country – on [www.24.com/news/?p=tsa&i=878699](http://www.24.com/news/?p=tsa&i=878699) *“The South African passport could become a thing of the past..A **single SADC currency** has been on the agenda at high level member nation talks.”*

Why is this happening? In **2004**, the pope called for a new world order. [CNN.com international](http://CNN.com/international), *“Pope John Paul II rang in the New Year on Thursday with a renewed call for peace in the Middle East and Africa and the creation of a **new world order** based on respect for the dignity of man and equality among nations.”*

Is it conspiracy or fact? Listen to what **George Bush** (snr) has to say about the new world order. Video: *“George Bush has talked, time and time again, about a new world order. And this is the best chance to begin to establish the new world order.”* And then Bush himself (snr) *“What is at stake, is more than one small country, it is a big idea, a new world order.”* And *“Out of these troubled times, our fifth objective, a new world order, can emerge.”* And *“Now we can see, a new world coming into view, a world in which there is the very real prospect of a new world order.”* Conspiracy theory or fact?

It's not just the Americans that are calling for it but also prime minister **Gordon Brown** – one of the very first things he called for when he came into power [http://news.bbc.co.uk/2/hi/uk\\_news/politics/6277747.stm](http://news.bbc.co.uk/2/hi/uk_news/politics/6277747.stm). **Puttin** called for a new world order [www.time.com/time/magazine/article/0,9171,1209926,00.html](http://www.time.com/time/magazine/article/0,9171,1209926,00.html)

But what is this new world order? It is basically a management system to control all of us into a single, global family and it's got to do with biometric control and a lot of other issues that are elaborated on in the New World Order DVD. For this new world order to work, **certain systems** need to be in place.

Number 1 – we have to have **global, interlaced technology** – banks need to be able to communicate with one another – no matter what the system (interlaced and inter-operational computer networks compatible with windows, mac whatever is used.)

Secondly, you need a **Global Political Focus**

Thirdly, you need a **Global Environmental Focus** (will elaborate)

Fourthly you need a **Global Financial Management System** – why? (will elaborate)

You see the plan, is to get everyone, everywhere on the planet, to submit to centralised management organisations for example, the Global Interlaced Technology idea – is there anywhere in the world where global technologies have to submit their documentations to get an ITU standard? Yes. Anyone that's involved in **telecommunications** will know the organisation called the **International Telecommunications Union**. This is an organisation that produced and supplies all the standards for global interactive technology. So if I have a video-conferencing unit in Japan and my friend has one in South Korea, and another friend has one in Germany, they can communicate with each other through the ITU standard. So we have one organisation worldwide that produces and shows all the world's computers how to **interlace**.

What about a **Global Political Focus**? Is there one organisation worldwide? – yes, the **United Nations** – their role is not only political, but they are also more involved these days in the environment.

A single **Global Environmental Focus** is also needed – it is explained by Mark together with a United Nations/Religious Leader. Why a religious leader? It's got to do with what's called in your insurance, '*An Act of God*'.

The last thing we need is something that's called a **Global Financial System**. I.e. the **World Bank** and the **International Monetary Fund** – how do these people work together? How do they get all the computers worldwide to submit to one organisation? How do they get the banks to submit? They do it through what's called a [Hegelian Principal](#). Hegel was a philosopher, that lived a while ago and he came up with the idea of **thesis and an-thesis rubbed together = synthesis** ( $A + B = C$ ). They did that in SA by getting the Black and White people to 'rub' against each other to such an extent that they got them very cross with one another and after a couple of years out came - Democracy. A photo is shown of [William James Schnoebelen](#) a 32<sup>nd</sup> degree **Freemason's** certificate and you'll see on top of the certificate the symbol of '*Ordo Ab Chau*' (**order out of chaos**). Another image of the phoenix rising out of the ashes – order out of chaos. This is also their slogan and this is what they do in order to create the 'order' that they are looking for.

[Behold a Pale Horse](#), pp27 “..the secret societies were planning as far back as **1917** to invent an artificial threat..in order to bring humanity together in a one-world government which they call the New World Order.”

It's been coming a long time. [David Rockefeller](#) (Sep 14, 1994) “This present window of opportunity, during which a truly peaceful and interdependent world order might be built, will not be open for too long – We are on the **verge** of a global transformation. All we need is the **right major crisis** and the nations will accept the New World Order.”

Its not 'a major crisis' – it's the '**right** major crisis'!! Shocking!! Now how do you ensure that you get the right major crisis? **YOU CREATE IT!!** You create it in order to have the right synthesis order.

In order to have Global Interlaced Technology, you need the 'right crisis' to bring them all together. Maybe like a **global technological meltdown**. Was there, in the last couple of years a 'global technological meltdown'? Anyone that has a computer, even people with cars, they'll know what happened just a couple of years ago. It's called in history, [The Biggest Non-Event to Ever Happen](#), because it never happened – what was it called – **Y2K**. By the **first time in 2000**, the **world's computers** were **communicating** with one another, because they had the '**right**' crisis. They're submitting to the ICU standard and it was Y2K that brought all the computers of the world into synchrony. So, did we have a world, technology meltdown? Well almost, they certainly told us it was going to happen, but they didn't even need it to because they achieved their goal anyway.

To have a global political focus, you need a **global political threat**. Just a couple of months after Y2K, we have **9/11**. The 3 major happenings – Twin Towers, Flight 93, Pentagon – this is covered in depth in the New World Order DVD, so we'll just 'skim' over it to create context (not chaos!!) for the rest of the lecture. Looking at the **satellite images** of the **Pentagon** after the crash, **where's the wreckage**, debris, suitcases, wallets, limbs, false teeth, wings. Something must be there, but there was nothing, no grading marks through the lawn, no movement of the lamp posts..but yet, they have the weird explanation of the '**nose cone**' going through all 5 steel reinforced concrete walls, of the pentagon and came out in that middle section. An image is shown of the wall where the aircraft apparently struck – it is completely round! Excuse me..what's the first thing to disintegrate when a plane hits something – it's the nose cone. It could NEVER have gone through those 5 layers of reinforced concrete. Looking at the image of where the pentagon was hit, can you see that there is places where it should have had impact marks and where there simply is none. As if it wasn't actually a boeing, or any aircraft for that matter! Maybe rather a **missile**? And yet, they **refuse to allow us to see the pictures** of what happened at the Pentagon.

Another image of a plane that crashed in the middle of nowhere – a lot of skid marks, and debris etc. Looking at **Flight 93**, we have a satellite image showing only a **hole**! A 15 m wide hole! **Where's the plane?** Where's the plane???

Refer to A New World Order dvd wrt details, listen to the video with the extra **explosions heard** by the fireman, the core **pillars** being 'cut off' at exactly the same height – the **horizontal smoke** jets blowing out 20 to 30 floors under the crash site – look at the dvd.

The same for global environmental focus – maybe **global warming**. These '*Acts of god* (not God) – Mark says he's mentioned throughout the years to various people that one day, there's going to be a spiritual leader taking up the environmental focus. Something like a tsunami will happen and a leader will come to the fore and say, '*Ill take the lead?* – I don't

have to say it anymore, just read the [New York Times](http://www.nytimes.com/2007/12/25/world/europe/25pope.html?hp) – **Pope makes Appeal to Protect the Environment** [www.nytimes.com/2007/12/25/world/europe/25pope.html?hp](http://www.nytimes.com/2007/12/25/world/europe/25pope.html?hp)

Not only does he make an appeal to protect the environment, he goes as far as to say on the [Telegraph.co.uk](http://www.telegraph.co.uk) **Recycle or go to Hell**, warns Vatican. [www.telegraph.co.uk/earth/main.jhtml?xmi=earth/2008/03/10/eavatican110.xml](http://www.telegraph.co.uk/earth/main.jhtml?xmi=earth/2008/03/10/eavatican110.xml)

The other day when the pope was in New York: **Pope takes lead in effort to save the environment** [www.newsday.com/news/local/longisland/ny-lipope0410,0,5581089.story](http://www.newsday.com/news/local/longisland/ny-lipope0410,0,5581089.story)

He's the one who will be stepping up and saying "Lord, please forgive us..!" if you have an opportunity, listen to the pope's words, read his words online and you'll see over and over and over how he's saying, "we need to stop overeating, buying, doing this and that..'", because he keeps on saying that what's going on in the world is an 'act of god' – it's as a result of us messing up everything. **Which DAY** do you think he's going to bring in as a global day of worship???? – later!

### **The right crisis!**

What about a **Global financial management** – what right crisis do they need? Maybe a global financial meltdown. Have any of these happened in the last couple of years? Throughout 2008, we've got notifications of a coming crisis. The clearest one for me was this article in August 2008: **Large Bank Collapse Projected in US By Former IMF Chief** [www.huffingtonpost.com/2008/08/19/large-bank-collapse-projection\\_119771.html?page=2](http://www.huffingtonpost.com/2008/08/19/large-bank-collapse-projection_119771.html?page=2)

He could say in August already there's a collapse coming, and what happened..? It was not even a couple of days.. **European and Asian markets plunge** ([CNN.com](http://www.cnn.com)). This is not just an American thing, all of a sudden, it's a 'global' problem. Everything's GLOBAL. Worldwide the stocks tumble. What's going on?! It's like some 'well-coordinated plug' has been pulled and all the systems tumbled. The money in the world is controlled by only a couple of key-individuals and when they pull their money out, the systems collapse (explained in another DVD). It was planned a long time ago to happen in Sep/Oct 08. Normally I don't date my programs, but this one I want to date. Today is the **29<sup>th</sup> of October 08**, and I want you to encourage you to have a look at what your date is today. What has happened since this dvd was made? I don't believe we've seen the end of this? [SKYNEWS](http://www.skynews.com) – **The World Economy is 'near meltdown'**.

Now as the markets crashed, who stepped up to assist? Did you notice? [CNNMoney.com](http://www.cnnmoney.com) tells us that '**All eyes turn to world leaders**' – "As finance ministers of 7 largest economies meet, hopes rise that **coordinated action** will solve crisis." Bush stood up and said '**We Can Solve This Crisis**' ([SkyNews](http://www.skynews.com)). And what happened? **\$700Billion bailout: The latest – to bail out the Banks!** Where do they get that money from? I thought the American government was 10 Trillion dollars in debt? Not only that, Prime Minister [Gordon Brown](http://www.gordonbrown.com) stands up and

says **We Must Restructure the Banks** – [SKYNEWS](http://uk.news.yahoo.com/5/20081010/tuk-pm-we-must-restructure-banks-45dbed5.html)  
<http://uk.news.yahoo.com/5/20081010/tuk-pm-we-must-restructure-banks-45dbed5.html>

WHY?? They've worked successfully for 100's of years, now all of a sudden we have to change everything?! [CNN.com/world business](http://www.cnn.com/world/business) **US considers buying stakes in banks**. In other words, with that \$700 billion, the US government is actually **buying into the BANKS**. [CNN.com](http://www.cnn.com) – Bush: **World must unite over markets crisis**. We'll have to see where we are next year this time. Do yourself a favour and watch what's going on. Governments are taking over ownership of the banks.

What was the result of this financial meltdown? [CNN.com](http://www.cnn.com) tells us **US plans to buy financial stocks**. Isn't that a bit weird, for the government to own the Banks? Have you noticed that there's always been a 'slight' discrepancy between the psychology of the banks and the psychology of business. Business doesn't want the banks fiddling in its business.

[SKYNEWS](http://www.skynews.com) **Govt 'To Take Stake in Banks'**. Banks all over the world are starting to step up, even in Kuwait. [SKYNEWS](http://www.skynews.com) – **Nine US Banks Share £80 bn Boost**. Which Banks? Citigroup, JPMorgan Chase, Bank of America, Goldman Sachs, Morgan Stanley, Wells Fargo, Bank of New York Mellon, State Street and Merrill Lynch – these are the **biggest names** in the system.

Its one thing to understand that there is a new world order coming. We need to ask **why** and why do government institutions want to buy into Banks. It comes back to '**buying**' and '**selling**'. How is what we're seeing in world events, tying back into **Bible prophecy**? It is phenomenal to see, how they're tying in and how the '**No Buy or Sell Law**' of the **Blue Law of satan** is about to be implemented.

As this [Business Times Money](http://www.business-times.com) article reports: ***If you think your cash is safe, think again..Beware of Your Bank!*** I happen to be here in Australia at the moment and I've just used this country as an example. Listening to the News, they're reporting that the Investment Organisations who have already frozen people's assets, needs to become Banks in order to get their money out.?? Is that possible? This is already a **fact** in Australia. Where's this going? I don't know, but we know that the Bible says we won't be able to buy or sell, and that is coming.

I've said before, I don't think we've seen the end of this. A Fascinating article in [CNNMoney.com](http://www.cnnmoney.com) – **New World on Wall Street**. The newspaper article on Wednesday, 22<sup>nd</sup> October 2008 reports – "*The new world order in the wake of the global economic turmoil may not be the one many observerst expect, says Bill Emmott*". You see, many observers think that this is going to be a wonderful **solution** to our problems. In fact, **Christianity** – when the Sunday Law is issued is going to say "Yeaahhhh!! Finally, the government is standing up for Christianity". That's why the Bible says, '**many will be deceived into receiving**

*the mark of the beast'*, because it **sounds** right, it **looks** right, it **feels** right, but it will be **WRONG**.

[New Financial World Order](#) (October 8<sup>th</sup>, 2008) – **Meltdown** gathers speed. [Plant Wall Street](#) (October 15<sup>th</sup>, 2008) – *A New Financial World Structure will soon shape our **collective destiny***. (October 20<sup>th</sup>, 2008) – *Leaders to **rewrite global finance rules'***.

You know what – it's closer than you think. They've got this whole thing sown up and now, the government will own your house, the government will own your car, because the government will own the banks. They've already tested this whole scenario – China was their test-tube baby – they've tested it and it works – human controls, being told what to believe, thinking what they're telling you too...it sounds silly, but it's coming.

April **18<sup>th</sup>**2008, the pope spoke to America. To any normal person, this **date** would seem **insignificant**, yet, to the **occultists** will identify it immediately (**666 = 18**). "*Pope Benedict XVI waves to the audience while UN Secretary-General Ban Ki-Moon looks on at UN headquarters* (April 18, 2008, NY City) – you know that they gave him a standing ovation after that talk? Have you ever heard him speak?? It certainly doesn't deserve a standing ovation – why are the clapping? Because they see him as the solution to the world's problems. [Reuters](#) – **Pope says Church role in politics 'for good of all'** [www.reuters.com/article/worldnews/idus1446013920080614](http://www.reuters.com/article/worldnews/idus1446013920080614)

Remember once more, **the reason America was started**, was by **running away** from **Rome**. Today, Rome is sticking its dirty fingers inside the politics of the country and it says '*well, it's for the good of all*'??

[UPI.com](#) (21/09/2008) – **Critics say pope aims to change laws**

Daniel 8:25 '*And he shall think to change times and laws.*' I don't need to tell you this is GOING to happen – it's happening, all you need to do is read [CNN](#) and [SKY](#) etc. We are living in prophetic times, we are living in Biblical Prophecy.

We are no longer living in the '**signs of the time**', we are living in the **TIMES OF THE SIGN**. Remember, the pope is calling for **Global Sunday observance** ([From The Brook](#), Jul-Sep 1998, Vol 4, No 3).

*If we believe Religion is true, we should be re-introducing a **criminal penalty** for those who **fail to attend church on Sunday!*** ([Daily Independent](#), 4.11.98, Sara Maitland '[On the Issues of Belief](#)' (which implies that the law must have been broken, therefore, there has to be a government civil law). That is what we've been saying for 160 years! Is it maybe possible that it's closer than you think?

Here's an article on [abcNews](#) (15<sup>th</sup> of July 2008) – '**Sunday Shopping Banned in Croatia**'

<http://abcnews.go.com/international/wireStory?id=5378375>

Did you know that? Who did it? Who do you think? **'The Catholic Church enforces Sunday Law in Europe'** (July 23, 2008) [www.presenttruth.com/2008/07/catholic-church-enforces-sunday-law-in-europe/](http://www.presenttruth.com/2008/07/catholic-church-enforces-sunday-law-in-europe/)

Are we living in prophetic times?? The Lord is calling us one by one, to stand up for ALL Truth. Elijah had to stand up before all of those false prophets, for the truth. What do you think is happening in America – On March 13, 2008 – **'A resolution recognizing the first weekend of May 2008 as 'Ten Commandments Weekend'**

[www.govtrack.us/congress/billtext.xpd?bill=sr110-483](http://www.govtrack.us/congress/billtext.xpd?bill=sr110-483)

They are trying to pass a law to protect one weekend as the 'ten commandments weekend'. Question? Which Sabbath day do you think they're going to choose? The Blue Sabbath of the Lord Almighty, or the Blue Sabbath, as requested by the papacy. What about **Bush**, as the leader of protestant America, think about Benedict the 16<sup>th</sup>. This is the official **interview** with Bush just before the pope lands in America – listen carefully to what he calls him. Our Bibles say in Matt 23:9 *'And call no man your father upon the earth: for one is your Father, which is in heaven.'*

**Video clip:** Also look at the surprise of the interviewer. Bush: *"In order for the president to be effective, he better bring a set of principles from which he will not deviate, and articulate them as clearly as he can, and then not worry about media popularity, because popularity comes and goes. But what's important and what doesn't change are solid principles. And I'm going to remind his **holy father** how important his voice is in making it easier for politicians like me to be able to stand and defend our position."* Interviewer *"Mr President, final question, you said famously, when you looked into Vladimier Puttins eyes, you saw his soul. When you look into Benedict the 16<sup>th</sup>'s eyes, what do you see?"* Bush replies **"GOD!"**

I can just shake my head – this is unbelievable. It says *'there'll be an image to the beast'* – there'll be a **system driving the whole world back to Rome!** America was started running away from him, and now, **they highest Protestant authority in America says he sees 'God'** in the eyes of Benedict?!!! What's going on – oh I forgot - ITS THE **FULFILLMENT OF PROPHECY!**

What about the new president?? – luckily Bush is gone, luckily Obama has got a different perspective – or does he??

<http://news.sky.com/skynews> - a photo shown

Brothers and Sisters, I want to tell you from the bottom of my heart, that the Sunday Law is coming. The ridicule that has been given to the Adventist Church worldwide for 160 years, is about to come to an end. You see, because you and I have to make a decision; are we going to accept the Blue Law of God, or are we going to accept the blue law of the antichrist (in other words, he that comes in the place of Christ)? We will have to fall under a law – your

choice, is it going to be God's Law, or satan's law? Please don't think it doesn't matter which day you serve, to you it doesn't. But to God and satan, it makes a massive difference.

Listen to what [Ellen White](#) says in [Testimonies](#), Vol 9, p11 [ChS 52.2] – "*The agencies of evil are combining their forces and **consolidating**. They are strengthening for the **last great crisis**. **Great changes** are soon to take place in our world, and **the final movements will be rapid ones**."* This was written **over 100 years ago**. Who could have thought that less than 2 months ago, and in the space of one month, governments would own banks? It's unheard of, it's actually unthinkable.

*"The greatest want of the world is the want of men (mankind), - men who will not be **bought or sold**; men who in their inmost souls are **true and honest**; men who do not fear to call sin by its right name; men whose **conscience** is as true to duty as the needle to the pole; men who will stand for the right though the heavens fall."* ([Education](#), pp 57, 1903 [CM 54.4])

The inverse of that – Malachi Martin (a Jesuit and pontifical professor in the Vatican) – [Keys of this Blood](#), pp 657 "*the pope knows that human catastrophe on a world scale is impending, he knows some of the horrific details of that worldwide catastrophe..he knows it will come **without prior warning**..he knows that only a **minority** will recognise if for what it is and make preparation for the tribulation that will follow"*.

Which is the **only other organisation in the world**, except for the 7<sup>th</sup> Day Adventists who **accepts Ellen White's prophetic writings**? – Do you know it's the **Jesuits**!! They're the ones that underline and fill in the books and make sure that they study. Prophecy is a secret technology given to us by God as a warning and they constantly search these prophecies – the way most Christians don't!

- Did a Global Technology meltdown take place? – yes, it resulted in a Global Interlaced Technology.
- Did a Global Political threat take place? – yes (9/11) resulted in a Global Political Focus.
- Did a Global Environmental focus occur? – yes, due to global warming?
- And did a Global Financial meltdown take place? – yes, resulting currently in a Global Financial Management plan.

You still have a free will. The Lord is calling you – either you are going to accept His Law, or his law. This world is dying, the last days are on our doorstep.

Titus 2:13-14 '*We are looking for that blessed hope and the **glorious appearing of the great God and our Saviour Jesus Christ; Who gave himself for us, that he might redeem us **from all iniquity**, and purify unto himself a **peculiar people**, zealous of good works.***

Remember, the Lord says '*I will build My Church*' – not Mark Woodman will build his church and so and so build his church..There's **one church** in the world. The Lord says, He's not going to save us **in iniquity**, but **from iniquity**'.

In closing, please, stand up for Christ, stand up for the Blue Laws of Jesus Christ.
