

Disk 4

Unity towards the East.

Part 1

There's a reason for that (unity). Mark reiterates that he's sharing this information, not from a point of condemnation, but from the perspective of using the Word of God to throw light into and onto the world we're living in today. The problem of **not identifying the antichrist** is that you run the **risk of deception**. The agenda is to **channel worship to the sun** and therefore, the **dragon**.

'**Jesus is the light of the world**' (John 8:12). We are to take this light into the world, but we can only do that if we are 100% **aligned** with the **Word** of God. We are supposed to channel this light in its purest form, not skewed in any way (as that will **refract** the light). Instead of God shining through us, we refract it, because we are not in line with the Word of God. Having learnt what the **agenda** of the **antichrist** is, we can now test whether its light is refracted and how much it deviates from God's light (the **angle of error**):

1. They **changed the 10 commandments** (removed graven idols)
2. They **made the Sabbath refer to Sunday** instead of Saturday
3. They **speak blasphemies**. (forgiving sins and taking the place of God on this earth)

The papacy knows that what they teach is not according to the Bible. The things that make up the "angle of error" of the antichrists are found within all religions today.

The New Apostolic Church (Mark's church that he grew up in): This is a worldwide movement of people who believe that they are the chosen children of God. Chief Apostle Leber is basically in the same position as the pope, but in the Apostolic Church. Music is a great part of this church. How do they fit into the antichrists plan? www.nak.org/news/20060124-382-gb.html "The **sealed Christians** of the New Apostolic Church understand themselves to be the bride of Christ." What is a **sealed Christian**? You adopt the faith and receive holy sealing by an apostle, so receiving the Holy Ghost. Without that sealing, you become left out from a core group of people that are going to make it through the end times into heaven. Are they aligned with the Bible? Which commandments do they use?

1. They use a **changed set of Commandments**: [Questions and answers concerning the New Apostolic Faith](#) shows an image of ?. Their commandments are the same as that of the Catechism of the Roman Catholic Church. (Look at number 2 and number 10 – compare to the New King James version). [the same as number 1 above].
2. They **acknowledge the 'day of the sun'** as the day of worship.

3. They **speak blasphemies**? (forgive sins or see themselves as God on earth). In the [Guide for the Ministers of the New Apostolic Church](#): *"In the commission of my sender and Apostle do I proclaim unto you the glad tidings that in the name of our Lord Jesus Christ, the Son of the living God, your sins are forgiven and the peace of the Risen One abide with you. Amen."* They don't claim to forgive sins like the catholic minister, but through the apostle.

Unknown to most members, they are founded upon the antichrist doctrine. [House Rules Book of the New Apostolic Church](#) p 6: *"The Chief Apostle holds a prominent position among the Apostles, his commission is identical with the one that Apostle Peter received from Jesus."* Compare this to earlier notes on the Catholics seeing Peter as the **Rock** instead of the **rock**. Because they do not identify the antichrist, they become involved in these deceptions without realising it. **It does not matter how much one believes that something is right, if it is not in line with the Word, it is not from God.** This goes for all churches around the world.

If you identify the 'angle of error' between your doctrines and the Biblical truths, you have the opportunity to **reform**, or bring that 'angle or error' down to come **in line with the Word of God**. A while ago, in the 1500's the Reformers made the decision to bring this 'angle of error' down after identifying it = **Reformation**. [A timeline of the reformation is shown.] Martin Luther in 1517 wrote the **95 Theses** and nailed it to the Castle Church door at Wittenberg. These are 95 characteristics that he could see at the time inside this 'angle of error' from God's truth. They **knew** who the **antichrist** was and they were more than willing to expose him. **Today**, it's being **covered up**. The German translation of the Bible, was the most accurate since the Latin. There was no better translation since that time. More than 100 million Christians were killed for their opposition to the Roman Catholic faith. The Reformers fled throughout the world.

On the 15th of August, 1534, the Spaniard **Ignatius Loyola** founded the **Jesuit Order** (The Society of Jesus). He was sanctioned by Pope Paul III on September the 27th, 1540. Loyola wanted the order to be the champions of catholic unity. (R.P.Jesuit Rouquette, op.cit pp44). Their [Extreme oath of induction](#) states: *"I (name) in the presence of [a whole list of names], declare and swear that his holiness, the **pope is Christ's vice-regent** and is the **true and holy head** of the **Catholic or Universal Church** throughout the earth. I will help and assist and advise and **do my utmost to extirpate the heretical Protestants or Liberal doctrines** and to destroy all their pretended powers, legal or otherwise. I do further promise and declare, that I will, when opportunity presents, make and wage **relentless war, secretly or openly**, against all heretics, Protestants and Liberals, as I am directed to do, to **extirpate and exterminate them from the face of the whole earth** and that I will **spare neither sex, age, nor condition** and that I will **hang, waste, boil, flay, strangle and bury alive these infamous heretics; rip up the stomachs and wombs of their women and crush their infants' heads against the***

wall, in order to annihilate forever their execrable race." When you can't beat them, join them, making them (the Protestants), think that you're part of them. Communitively, they work together – they take thesis, create anti-thesis = synthesis.

Peter-Hans Kolvenbach is the man who pulls the strings. He is the 'boss' of the **Jesuits** – the one pulling the strings, with **even more power than the pope**. [The Vatican Empire](#), Nino Lo Belio, New York: Trident Press, 196 pp78: "*The Pope's confessor, an ordinary priest, **must** be a Jesuit: he **must** visit the Vatican once a week at a fixed time, and **he alone** may absolve the pope of his sins.*" Hierarchy: the ordinary **member** confesses to the **priest** who confesses to the **bishop** who confesses his sins to the **archbishop** who confesses his sins to the **cardinal**, who confesses his sins to the **pope**. **Who does the pope confess to?** A normal **Jesuit priest** – so the Jesuit general is way higher than the pope. But you won't find out much information on Kolvenbach, as this is a **secret order** that infiltrates all elements of humanity, manipulating it to the gains of Rome. [Leo H Lehmann](#), 1942 in [American Historian Behind the Dictators](#), New York, Agora Publishing Co, 1942 pp26: "*Its [the Jesuit Order's] objective was and is still, to **destroy the effects of the Reformation** and to **re-establish the Holy Roman Empire of the German Nation.***" The focus of the Jesuit movement includes certain governmental powers, but more precisely, to rip out the heart of the Protestants. The head of the inquisition (whilst pope John Paul II was pope), was a certain cardinal who is now Pope Benedict. Written in **2001**, [The Secret Plan](#) by Leone Quoted in Eric Jon Phelps, [Vatican Assassins, wounded in the house of my friends](#). Halycon Unified Services, p266: "*Protestantism is already wearing out and sinking to decay. Yes, we are destined to insult its last agonies, to march over its broken skeleton and scattered bones. Protestantism is becoming decomposed; it is falling to pieces.*"

What about the **freemasons**: [The Grand Design Exposed](#) by John Daniel Middleton, Idaho: CHJ Publishing, 1999 pp302 explains: "*The truth is, the Jesuits of Rome have perfected Freemasonry to be their most magnificent and effective tool, accomplishing their purposes among Protestants.*" But how? According to a number of websites/books/references, you'll realise that freemasonry amongst the Christian religions is a reality:

Billy Graham is the world's most popular 'Protestant' evangelist, yet he is a **33rd Degree Freemason**.

Norman Vincent Peale is a **33rd Degree Freemason**, ex Grand Chaplain of the Grand Lodge of New York, Past Grand Prelate of the Knights Templar and Shriner (now deceased). Was a Christian preacher and author (most notably of [The Power of Positive Thinking](#)) and a progenitor of the theory of "positive thinking".

Robert Schuller is a **33rd Degree Freemason**, Pastor of the Crystal Cathedral and host of the popular '[Hour of power](#)' television programme.

Kenneth Copeland is a **33rd Degree Freemason, a Pentecostal Word** of Faith preacher and evangelist. www.la-mason.com/famous.htm; www.seekgod.ca.nonew.htm; www.Theforbiddenknowledge.com/hardtruth/kennethcopeland33rddegreefreemason.htm;

The [Jesuit Catechism](#) states, when asked: What if the Holy Scriptures command one thing and the Pope another contrary to it? Answer: *"The Holy Scriptures must be **thrown aside**. What is the Pope? He is the Vicar of Christ, King of Kings and Lord of Lords and there is but **one Judgement-Seat** belonging to **God and the Pope**."* (Roy Livesey, 1998, [Understanding the New Age: World Government and World Religion](#), Chichester, England: New Win Press, Pp 104. **UNBIBLICAL**.)

We don't hear about this antichrist or the covering and uncovering thereof? **Why don't we know these things?** Two specific culprits: Francisci Riberae Villaca (FUTURISM) and Alcasar (PRETERISM) [both Jesuits] they came up with the idea that he could somehow move a secret period into the future: In other words, **they want to create the illusion that the antichrist is not here yet**, but he's coming in future.

FUTURISM "**Francisco Ribera** (1537-1591), a Jesuit doctor of theology, began writing a lengthy 500 page documentary in 1585 on the book of Revelation titled in [In Sacrum Beati Ioannis Apostoli and Evangelistiae Apocalypsin Commentarii](#) and published it about the year 1590..in order to remove the Catholic Church from consideration as the antichrist power, Ribera proposed that the first few chapters of the Apocalypse applied to ancient pagan Rome and the rest he limited to a yet future period of 3.5 literal years, immediately prior to the second coming. <http://biblelight.net/antichrist.htm>. Remember, his role as a Jesuit is to destroy Protestantism.

PRETERISM: **Alcasar**, a Spanish Jesuit Luis De alcazar (1554-1613), who also wrote a commentary called [Investigation of the Hidden Sense of the Apocalypse](#), some 900 pages, wherein he proposed that it all of Revelation applied to the era of pagan Rome and the first six centuries of Christianity. <http://biblelight.net/antichrist.htm>.

These two open theories are being taught in all Christian churches (Futurism and Preterism) – these 2 theories rape and violate the central heart and core principles of Daniel 2, 7, 8 and the whole of Revelation. In itself, it is a **disgusting way of removing the heart of the prophecies** which is the backbone of God's Word. **If you don't identify the antichrist, you run the risk of deception.**

Not only does the catholic church claim **salvation** through herself alone, but she **claims parenthood of all other Christian religions**, saying she's the **Mother** of all churches. 'Dominus Iesus' "Other churches are no sisters of ours", the Vatican insists ([The Independent](#), September 5, 2000). "It must be always clear that the one, holy, catholic and

apostolic universal church is not the sister, but the mother of all the churches.” ([Cardinal Ratzinger](#), April 9, 2000). This is repeated in 2005 when the Pope tells the world council that **Ecumenism** (coming together of all religions) is a priority: You hear more about unity, unity, unity.

The **Lord** is also calling for unity, but He is calling for **unity in truth**. In [the Vatican Document on Papal Primacy](#), Vatican, October, 30 1998: *“The Vatican today released a 9-page document, signed by Cardinal Joseph Ratzinger (Pope Benedict), explaining **papal primacy** as a guarantee against arbitrary judgements. The Successor to Peter is the rock which, against all arbitrariness and conformism, is the guarantee of a rigorous fidelity to the Word of God. The document goes on to emphasize that this fidelity must be preserved even to the point of **martyrdom**.* www.cwnews.com/news/viewstory.cfm?recnum=8761. And on June 30, 2005, Pope Benedict XVI says that *“he hopes the papal primacy will not be seen as an obstacle but as a support for the full unity of Christian churches and confessions”*. He continues: *“How can we not recall today that the primacy of the Church that is in Rome and of her bishops is a primacy of service to Catholic communion? Within the Church...Churches retain their own traditions, **without in any way opposing the primacy of the Chair of Peter**, which presides over the whole assembly and protects legitimate differences, while at the same time assuring that such differences do not hinder unity but rather contribute towards it.”* (www.zenit.porg/article-13435?!=english). Again calling for unity and stating that under unity – they will be in a leadership position. In other words, the ‘angle of error’ as set out by Luther – will have to be changed to fit into this unified plan.

Part 2

This is an **explanation of how the roman catholic church are twisting Christianity into unity where worship is channelled towards sun worship or worship of the Beast**. We saw in the previous lecture how the Roman Catholics church's papacy is calling for the acknowledgement of the supremacy. The New Apostolic Church's apostle, is claiming the same position as the pope, but one of them needs to ‘step down’ – this is a very good example of what is going on. The protestants are standing in direct opposition to the catholics. The new Apostolic Church nowhere claims to be a Protestant church.

Believing that they (the Apostolics) are the Bride of Christ and that the Chief Apostle is in the same position as the Apostle peter (for the catholics).

On the 20th April **2005** a letter was issued from Zurich (Head Office of New Apostolic Church) by the president (**chief Apostle of the Apostolic Church**) **to the Pope**: *“Your holiness, Pope Benedict XVI, Please accept my heartfelt congratulations and sincere best wishes on having been elected to lead the Roman Catholic Church. I also extend these wishes of blessing **on behalf of all New Apostolic Christians**.”!!* As the New Apostolic Church, no

acknowledgement has historically ever been made of any other religious system. Yet now, for the **first time in history**, the main 'peanut in the packet' – the Chief Apostle, sends a letter on behalf of all Apostolic Christians, a **letter of acknowledgement and acceptance to the Pope** and it's made public, for everyone to see, that they are now **acknowledging Rome**. The letter continues...*"I wish you God's help in your high task, as well as the strength to pursue your path undaunted for the benefit of the Church and its faithful. We **New Apostolic Christians will include you in our prayers.**"*

If you're a New Apostolic, you'll understand how shocking this is, but for outsiders, it might not be so apparent. Not only is the fact that the Chief Apostle is acknowledging the leader of another Church amazing, but it is profound in that they make the letter public. The pope has never made a letter publically available acknowledging the Chief Apostle. This is simply proof of the New Apostolic Power **bowing down** and acknowledging the supremacy of the papacy and the Catholic Church. Not many people know this is going on. The www.zenit.org of May 29, 2006 quotes: *"A Vatican-organized videoconference of theologians this Tuesday will focus on the theme 'Love of the Church in Fidelity to the **Primacy of the Successor of Peter.**' Monthly videoconferences...bring together...theologians from around the world. The conference may be followed live, beginning at noon Rome time at www.clerus.org."* Worldwide, the Roman Catholic Church is now using the internet to do videoconferences where he can promote this info to theologians from all churches – held at noon Rome time (when the sun is directly above the obelisk).

The **holy sealing** according to the New Apostles is receiving the Holy Spirit, only once the apostle has carried out the holy sealing on this person. In [The New Apostolic Creed](#) it states: *"I believe that those baptised with water must **receive the Holy Spirit through an apostle** to obtain the childhood in God. The sacrament of Holy sealing is the **imparting of the Holy Spirit.**"* (www.nak.org/text/4-gb.html). This is the reason why the New Apostolic Church believe themselves to be the remnant Church because they have got through the power of the apostle to ability to impart the Holy Spirit. [The Guide for the Ministers of the New Apostolic Church](#) *"Holy Sealing is the dispensation of Holy Ghost."*

Position of the New Apostolic Church on the **Holy Baptism** with water and the Holy Sealing, issued in Zurich on 24th January, 2006: *"The sacrament of holy Sealing is the **dispensing of Holy Spirit**"* (Not **THE Holy Spirit**, but Holy Spirit). A superscript number 8 is inserted next to Holy Spirit indicating a footnote which reads: *"'Dispensing of Holy Spirit' – this formulation without the definite article "the" emphasizes the conveyed gift of God. **Unlike the Holy Spirit as person of the Trinity**".* In other words, you're saying that through the Aposlte, the Holy Spirit is dispenced to a person. Now this footnote is saying, that this is no longer part of the trinity, it's now Holy Spirit, not The Holy Spirit. They are now **changing their core principles** to capitulate to Rome. Without realising it, they are now 'messing' with unholy spirits. The people on the ground don't have the option to consent to these changing, not

having any opportunity to do so. This is done in **secret**. When Mark mentioned these things to a minister, he was told that he was being too '**technical**'.

This is one example of a church being deceived. What about the **Anglican Church**? **Thomas Cranmer** is credited with writing and compiling the first two Books of Common Prayer which established the basic structure of Anglican liturgy (F.L.Cross, [The Oxford Dictionary of the Christian Church](#), pp428). He was the one that set up the system to recognise the antichrist. Then the 'heap' was turned up and he pulled back everything he said, but then again: "On March 21, 1556, Cranmer withdrew his recantation and denounced Catholic doctrine and the Pope from the pulpit, reportedly stating, *"And as for the Pope, I refuse him, as **Christ's enemy and antichrist, with all his false doctrines.**"* When they took Cranmer to be punished and burned, he willingly, put the hand which he used to sign his previous 'withdrawal' of 'recognition of the pope as the antichrist', into the fire first to be burnt, before the rest of himself was engulfed by the fire. So strong was his belief in the fact that the pope was and is the antichrist. What about today?

An image is shown of the [St Paul's Anglican Cathedral in London](#) – the way it looked in the original architecture – it has since been changed and the architecture is almost 100% similar to that of the Vatican. "*Ndungane talks unity after meeting the Pope*" is the headline of a News Paper article in **1995** stating that **"For unity, all churches must accept papal authority"**. Another article written in June 1999 ([The Daily Telegraph](#)): **"Churches agree Pope has overall authority** – The pope was recognised as the overall authority in the Christian world **by an Anglican** and Roman Catholic commission yesterday which described him as a '*gift to be received by all the churches*.'" This is a huge turnaround, keeping in mind that **the principle on which the Anglican Church was established was based on 100% opposition to the Catholic Church (Cranmer)**. [The Anglican Journal](#) of June 1999 reveals "*Text calls Anglicans to accept Pope's primacy* – a 43 page document entitled [The Gift of Authority](#), prepared by the 18-member [Anglican-Roman Catholic International Commission](#) was completed after five years of debate. The statement, released May 12th at Lambeth Palace, accepted that if a united church were created it would be the Bishop of Rome who would exercise a universal primacy. The commission has **proposed that the world's Anglicans accept the papal authority of the Bishop of Rome** even before the two traditions achieve full communion. The commission further accepted that only the pope had the **moral authority to unite the Christian denominations.**" (www.anglicanjournal.com/125/06/world02.html.)

Why would they say he's got the moral authority? Because he has his own moral law. In February, 19th **2007** – "*Senior Anglican and Catholic bishops will reportedly make a radical statement this year proposing reunifying their churches under the leadership of the Pope*" www.news.com/au/story/0,23599,21253656-401,00.html. It further says: "*it urges Anglicans and roman Catholics to explore how their churches split since the 16th century,*

could reunite under the 'ministry of the Bishop of Rome', a reference to the Pope. The report by the Anglican-Roman Catholic Commission for Unity and Mission, obtained by [The Times](#) states: "The Roman Catholic Church teaches that the ministry of the Bishop of Rome as universal primate is **in accordance with Christ's will** for the Church and an essential element of maintaining it in unity and truth". **What!!!** This is not unity in truth, it is **unity in error!**

Paul F Knitter wrote an interesting book: [No Other Name ?– A Critical Survey of Christian Attitudes toward the World Religions](#) Looking at his background- He received the Licentiate in Theology from the **Pontifical** Gregorian University in Rome and studied under Karl Rahner before earning a Doctorate in Theology from the Department of **Protestant** Theology at the University of Marburg, West Germany. This book is referring to the fact that there is No Other Name by which man can be saved. "Paul Knitter faces honestly the conundrum of what the committed Christian believer does theologically in face of the growing evidence, scholarly and from personal encounter, that there are other ways, religious ways of leading a full, authentic human life, than the Christian way. **Can a person be 'saved', that is, come to live a truly human life by some other name than that of Jesus Christ? Knitter's answer is that one can be 'saved' by 'some other name' and then he proceeds to show how this affirmation can be squared theologically with a full Christian commitment. This is a first-rate creative theology. It is theologically done the only way it can be done: In dialogue with other world religions and with one's own Christian tradition. It is also written to serve as a college textbook and succeeds in this admirably. At the same time, the theologians should not shun the book. They will find it very enlightening, if not downright revolutionary**" (Leonard Swidler in the [Journal of Ecumenical Studies](#)).

How does this fit into the Anglican Church? [The Episcopal Church in the USA \(ECUSA\)](#) is the American branch of the worldwide Anglican Communion. In the United States, the Church claims a total membership of approximately 2.5 million. Among its members are more than a quarter of all presidents of the USA. [Virtue Online](#) is their webpage – 'The Voice for Global Orthodox Anglicanism' On the top left, you notice a hint of the Baal hadad sign. In June 2006 they wrote: "The House of Deputies of the 75th General convention of the Episcopal church today **overwhelmingly refused to even consider a resolution that affirmed Jesus Christ as the 'only name by which any person may be saved'**. An upset Rev McDowell explained..."that to place a statement of belief over actions is the essence of self-righteousness, he said. On top of leaving the Anglican Communion, we've decided **to leave Jesus Christ behind as well.**" www.virtueonline.org.

Not only have they left the Anglican community (Protestant theology), but we've decided to leave Jesus Christ behind as well. This was done on a 70.5% ratio vote where 70.5% voted for discharge and 29.5% to consider the resolution affirming Jesus Christ as Lord. A complete resolution of the core principles that founded the Anglican Church.

What about the **Lutherin Church**?. They signed a document on 1999 **JDDJ (Joint Declaration of Lutherans and Catholics)**. This was done in the [Fundamental Evangelistic Association 'Foundation'](#): "This material is a reproduction of the joint Declaration referenced in "**The One world Church is Coming Together**" in the May-June 1998 issue of [FOUNDATION](#). It is a provider for reference and documentation purposes. It is a joint declaration on the Doctrine of Justification **between the Roman Catholic Church and the Lutheran World Federation**. That means, that together in unity, they will work towards salvation for their members. On July the 6th, 2001, the [Friday Church News Notes reports](#): "*Lutheran leader says pope might be global spokesperson for all Christians – Ishmael Noko, general secretary of the Lutheran World Fellowship, said in March that Lutherans 'can certainly look to the pope' as 'one of the spiritual leaders in the world today'. He went on to say that the ecumenical movement requires Christians to look into the possibility that the pope should become the 'global spokesperson for all Christians'*". Keep in mind where the Lutherin church originated from. Martin Luther picked up the word of God and realised that there were some fatal flaws between what is written and what is being taught by the Catholic Church. He pinned up a 95point document outlining all their deviations from God's Word, making a very prominent stand against the papacy. Now, in 1999, the Lutherin church in a 180 degree turn-around, signs a **declaration** with the Catholic Church. [An article is shown where it is stated **the pope shall no longer be called antichrist (not politically correct)**]. It goes further where statements are now being made that any attack on the church will be seen as '**terrorism**' (explained later). Another newspaper article heading "**Germany calls to ask forgiveness for Luther**" [The Telegraph](#).

The Jesuits don't hurry things along. They've taken 500 years to get to this point. Another article "[A Half-millennium Rift](#)" and "[Churches end 500-year rift](#)". What specific issue broke up Lutherism with Catholicism?

Then an extremely shocking image was placed on the front-page of the [Weltbild](#) magazine of the pope shaking hands with Luther. This is just disgusting.

The churches are coming together, the New Apostolic Church have capitulated, the Anglicans have capitulated, the Lutherans have capitulated – how deep does this go.

It is important to understand **signal pictures**. www.lutheranworld.org/Events/LWF-Presedent-Meets-Pope-Benedict-2005-DE.html. A photo is shown of the pope dressed in **white** and all the other people dressed in **black/dark**, showing his supremacy.

What about the **Methodists**? How did they start? Founded by **John Wesley** and speaking of the papacy, he wrote: "*he is an emphatically sense, the **Man of Sin**, as he increases all manner of sin above measure. And he is, too, properly styled the Son of **Perdition**, as he has*

caused the death of numberless multitudes, both of his opposers and followers." [Antichrist and His Ten Kingdoms](#), -110 by John Wesley. He knew who the antichrist was. Where do they stand today? [Worldnews today](#): "**Methodists to Affirm Roman Catholic Theology on Justification, 20th July 2006** – his eminence [Sunday Mbang](#), World Methodist Council (WMC), chairperson at the opening session. Going to the Vatican's website: "**Joint International Methodist-Catholic dialogue commission**" – referring to continuing talks since the previous papacy with the Methodist church: "*The work of the International Dialogue Commission has recently been complemented by another theological initiative, which would bring the **76 Member Churches of the World Methodist Council into association with the Joint Declaration on the Doctrine of Justification, signed by the Catholic Church and the Lutheran World Federation in 1999.***" (www.vatican.va/roman_curia/pontifical_councils/chrstuni/methcouncil-cocs/rc_pc?chrstunl_doc_20060125_bolen-methodists_en.html).

It's just not '**politically correct**' to have the stand they (other churches) use to have any more. But there's actually a much higher agenda (discussed later). www.eklesia.co.uk/content/news_syndication/article_060721meths.shtml. reports: **Methodists seek global dialogue and exchange with Roman Catholics.** "*World Methodists have unanimously approved a resolution authorizing further dialogue with the Roman Catholic church, with the stated aim of '**full communion in faith**' mission and sacramental life*".

There is a 180 degree turnaround in the Protestant Churches in their core beliefs – investigate your own church and see how it has already filtered in. I.e. Acceptance of homosexuality etc.

Which Roman Catholic doctrine/belief do most of the Christian churches follow, which gives the Vatican authority over them, causing them to change their doctrines? [Albert Smith](#) is the Chancellor of the Archdiocese of Baltimore, replying for the Cardinal in a letter dated February 10, 1920: "*If Protestants would follow the Bible, they should worship god on the Sabbath Day. **In keeping the Sunday, they are following a law of the Catholic Church.***" So by acknowledging Sunday, you are bowing down to the authority of the Catholic Church on this point. In other words, if you're acknowledging their authority on this point (Sabbath), then you have to acknowledge their authority on another, and yet another. [The Catholic Mirror](#), December 23, 1893: "*Reason and common sense demand the acceptance of one or the other of these alternatives: either **Protestantism and the keeping holy of Saturday, or Catholicity and the keeping holy of Sunday. Compromise is impossible.***" There's the challenge, set out by the Catholic Church.

Rev 13:3-4 '*And all the world wondered after the beast. And they worshipped the dragon which gave power unto the beast..*'

Through the **seat of the Antichrist**, satan is driving the whole world towards **sun-worship**. This comes all the way from Vatican II: *"Any effort is to be made to make Sunday a rest day. Moreover, any endeavor that seeks to make Sunday a genuine 'day of joy and rest from work', should be encouraged. Celebrate the Eucharist every Sunday, from the very outset of their Christian formation, 'Sunday should be presented to them as the primordial feast day', on which, assembled together, they are to hear the Word of God and take part in the Paschal Mystery."* [Documents of Vatican II](#), p117. On the 30th May 2005, [The Citizen](#) had this article: *"Back to basics for Catholics – Pope XVI made a back-to-basics appeal to Roman Catholics yesterday, urging pilgrims at a giant open-air mass to reject runaway consumerism and secularism and **called for Sunday to be kept holy.**"* The highest sources within the Jesuit order, speaking for themselves – [a video clip...look at how they speak of the 2 pillars (scripture and tradition) to support the Catholic beliefs: look at the arrogance: The **authority of unwritten traditions** are placed **equal** to the **written Word** in the Catholic church – not the Word alone, placing them in a separate category to all Protestant Churches. When the Protestants moved away from tradition, it took the Catholics **500 years** to bring them back to the point of signing declarations with the Catholic church today.

Where does this **eucharist** come from? **The Osirian Sacrament**: The doctrine of the Eucharist ultimately has its **roots in prehistoric cannibalism**, whose practitioners understood that virtues and powers of the eaten can be thus absorbed by the eater. Although crude, this was a core concept, the conviction that **one could receive immortality by eating the flesh and blood of a god who had died.**" [Pyramid Text: Unas from the 6th Dynasty](#). The idea of eating and drinking the body of Christ, actually comes from **Osiris**, holding up the eucharist, fulfils a **sun worship** methodology. [FortWayne.com 2006](#) reports: *"United Methodists, Lutherans to celebrate eucharist together"*. The Vatican itself reports in www.vatican.va *"nevertheless, our separated brethren (Protestant churches), whether considered as individuals or as communities and churches, are not blessed with that unity with Jesus Christ. All Christians will at last, in a common celebration of the eucharist, be gathered into the one and only Church in that unity which Christ bestowed on His Church from the beginning."* The whole world is being led to accept universal unity under the pope and when the pope holds up the eucharist for all the world to see, he is fulfilling a sun worship ceremony. www.unavoce.org : *"Who and what can lead to unity'? One might think the gospel, which all Christians have in common may lead to unity. Unfortunately not so...the longer I am pondering, the more I realise that it is the eucharist."* [Catholic update](#): **"Eucharist: Sign and Source of Christian unity"** They are promoting the eucharist to unify all Christian churches into eating/accepting the eucharist.

A Question asked earlier.. <http://www.stanet.ch/apd/news/1174.html>. "The Doctrine of Justification (JDDJ) agreed in 1999 between the Roman Catholic Church and the Lutheran World Federation (LWF) ..in practice, eliminated the main theological element of division

between Catholics and Lutherans." What was that key issue that had to be removed? **The eucharist! When you're doing a mass, you are re-crucifying Jesus Christ.** This is Satanic.

Rome is not a member of the Ecumenical community. Why not? Because she's never separated. She's calling her 'children' (other churches) back. They are leading the world in this movement, but they're not part of it. What about other religions? Next lecture. ..and all the world wondered after the beast'

Ecumism is the greatest threat to Christianity, removing Jesus from his Godly throne, making him an ordinary man. **The Lord is asking you to bow down to his authority, not that of Rome (antichrist) and therefore the Beast (satan).**

Islam, Hinduism, Buddhism, Judaism, all roads lead to Rome

Part 1

The deeper we go into these lectures, the more we realise how we're living and experiencing things in time that have never been experienced before. What we need to find out is whether the Bible was really correct in saying that '*..the whole world wondered after the beast.*' If these lectures were done 10-15 years ago, we would have looked into the Bible to see its **prediction**. These days, we only need to look at **current affairs** and headlines to **confirm what the Bible already predicted**.

Deception is like going to the auto bank, wanting to draw money. It looks like, sounds like and feels like the bank, you wouldn't consider that it wasn't the bank. But when you go and try to draw money, you realise it's not a real bank, you've been deceived. Deceived people think they're not deceived, because it sounds, looks and feels right. Only once they wake up out of deception, do they realise it.

What about the other religions: Christopher, H. Partridge [Religions of the world](#) showing a hand pulling beads through the hand. Is there a link between Buddhism and Catholicism?

New Apostolic Church is a similar size to that of the Mormons, and the 7th Day Adventist. 33% Christianity, 21% Islam, 16% Non-religious, 14% Hinduism; 6% African Indigenous, 6% Chinese traditional, 6% Buddhism; .22% Judaism, 0.36% Sikhism; and a slice of 'other'. The Bible says 'the whole world wondered after the Beast, so we should be able to see that within all of these religions. [www.adherents.com/Religions By Adherents.html](http://www.adherents.com/Religions_By_Adherents.html) shows Judaism, Christianity, Islam, Hinduism and Buddhism as the most significant 'world religions'.

God hates certain religious systems, but he loves every person. This is not an attack on the individual, but rather God's rebuke and final calling out of false system of religions.

When satan sets up a religion it has **2 elements**; one which is

- **Exoteric** (Religious traditions): this is given to the masses/populations/members on the ground
- **Esoteric** (Mystical traditions): a secret element within each world religion that very few people know about

Why? Because secretly inside, as the Bible says, he will be channelling worship through to him (satan), but he cannot do this openly because it will make the ordinary members feel uncomfortable.

By the end of time, satan will have set up these 2 sections in every single religion. With Christ's own church, there is only one level John 18:20: '*Jesus answered him, I spake openly to the world; I ever taught in the synagogue, and in the temple, whither the Jews always resort and in secret have I said nothing.*' There's a difference between confidentiality and secrecy. With God, there is only one level, but with Satan, there are 2.

Explanation of secret societies:

The ancient mystery religions have led to witchcraft, sorcery, divination, spiritism, most occult practices and eastern religions. These religions belonged to Babylon, Egypt, India, Persia, Greece etc and all were forms of **Pantheism** (The belief that God is in everything). This moved through **Kabalism** (permeated through Jewish hierarchy), then to **Gnosticism** (the belief that Jesus wasn't really God); then to the **Knights Templars**, to **Rosicrucians** to **Freemasonry/Illuminati**. From Freemasonry and the Illuminati comes **Marxism**, that the aforementioned organisations control the American and European political secret societies, that they control the International Banking Elite and also the World Council of Churches. These organisations lead into this **New Age Movement** as well as the **Philosophical society**. When you want to find out who's really in control of these organisations, there are only a very few names; one would be **Albert Pike; Alistair Bailey, Ani Basant..**

Albert Pike wrote [Morals and Dogma](#) which is the book you receive when you become a 33rd Degree Freemason (receiving the shiner cap): The Templars were gravely accused of spitting upon Christ and denying god at their receptions, of gross obscenities, conversations with female devils and the worship of a monstrous idol. Pp817: "*The Templars, like all other Secret Orders and Associations, had two doctrines, one concealed and reserved for the Masters, which was **Johannism**; the other public, which was the Roman Catholic.*"

Here are some of Albert Pike's titles: Sovereign Grand Commander of the Supreme Council of the thirty-third Degree (Mother Council of the World) and Supreme Pontiff of universal Freemasonry; Scholar, student of ancient languages and occult philosopher, he completely rewrote the degrees of the Scottish rite into their present form. His position in Masonry was and is today, unparalleled, not only in the USA, but throughout the world. He says, the Roman Catholic Catholicism, is the outside marketing plan given to the catechumen (outside members) to make them feel comfortable continuing doing what they're doing, thinking it is right.

Ordo Ab Chao (order out of chaos) with the triangle and the sun and the double-headed eagle, representing good and evil, male and female = satan. The **IHS** of Catholicism as seen in a stained glass window of a Masonic temple is taught to the members as meaning **In His Service**...but what it actually stands for is **Isus, Horis and Set** – the gods of the ancient rites of Egypt. [The Digest of Masonic Law](#) pp207-209 states: "*Masonry has **nothing to do with the Bible**; it is not founded upon the Bible, for if it were, it would not be Masonry, it would be something else.*" Many freemasons feel comfortable being involved because they think it's a

Christian religion, but the lower degrees don't know what they're involved in. Manly Palmer Hall in his book [The Lost Keys of Freemasonry](#) pp65: "*The true Mason is not creed bound..Christ, Buddha or Mohammed, the name means little, for he **recognizes only the light and not the bearer**. He worships at every shrine, bows before every altar, whether in temple, mosque or cathedral, realizing with his truer understanding the oneness of all spiritual truth.*" JD Buck in his book [Mystic Masonry](#) 6th edn. Pp138 states: "*it is far more important that men should strive to **become Christs** than that they should **believe** that Jesus was Christ.*" Based on re-incarnation, every re-incarnation brings you closer to being a Christ.

[Morals and Dogma](#) pp819: "*The Blue Degrees (the first 3 degrees), are but the outer court of portico of the Temple. Part of the symbols is displayed there to the Initiate, but he is **intentionally misled** by false interpretations. It is not intended that he shall understand them; but it is intended that he shall imagine he understands them. Their true explication is reserved for the Adepts, the Princes of Masonry. The whole body of the Royal and Sacerdotal Art was hidden so carefully, centuries since, in the High Degrees.*" They are intentionally misled using symbols. **One world, one language, one system – Babel – God said no, many languages.** There's a belief in freemasonry that the builder of the Tower of Babel (**Nimrod**), was the first freemason and from that moment on, no longer being able to use language, they used symbols to communicate their intentions. pp104-5: "*Truth is not for those who are unworthy or unable to receive it, or would pervert it. So masonry jealously conceals its secrets, and intentionally leads conceited interpreters astray.*"

This is thought by most people to be a white's only, male's only secret society. However, Mrs **Elizabeth Aldworth** is shown in photographs with full Masonic regalia. Also **Annie Besant** (referring to her as 'brother Annie Besant'). The females are all called brother. Dark/black people are allowed – [Prince Hall Freemasonry](#) is the institution that they go through – David L Wright (MW Grand Master); Element E Harris (MW Grand Master); Worthy Grant Matron Martha M Clayborne Worthy Grand Patron Albert L Middleton Sr. (all black people). What else don't we know?

Charles G Berger in [Our Phallic Heritage](#) (New York: Greenwich Book Publishers, Inc. 1966) pp48 writes: "*Thus, symbols came to have 2 meanings, the esoteric and the exoteric. The **esoteric** meaning was the **true or original** meaning, **understood by only a few** and closely guarded by them. The **exoteric** meaning was the **invented or modified** explanation intended for the **many**. These sacred mysteries very often were merely continuations of the simpler forms of early sex worship carried on by a select few.*" [Encyclopaedia of Freemasonry](#) on pp52-3 says: "*The **All-seeing eye** is an important symbol of the supreme being, borrowed by the freemasons from the nations of antiquity. On the same principle, the Egyptians represented **Osiris**, their chief deity, by the symbol of an open eye and placed the hieroglyphic of him in all the temples.*" Why then would you find this symbol of

freemasonry? Robert Hieronimus also explains in his [America's Secret Destiny: Spiritual Vision and the Founding of a Nation](#) pp81, that "To the ancient Egyptians, the right eye symbolized the sun and the left eye the moon". Repetition of the same ancient paganistic worship.

How does sun worship fit into freemasonry? You have the compass with a set square and a G inside. They'll tell them it means G for God but it means '**Generative principle**'. From Albert Pike's book '[Morals and Dogma](#) pp321, he explains: "*Lucifer, the light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer the Son of the Morning! Is it he who bears the light and with its splendours intolerable blinds feeble, sensual or selfish souls? Doubt it not! That which we must say to a crowd is – We worship a god, but it is the God that one adores without superstition. To you, Sovereign Grand Inspectors General, we say this that you may repeat it to the Brethren of the **32nd, 31st and 30th degrees** – The Masonic Religion should be, by all of us initiates of the high degrees, maintained in the purity of the **Luciferian Doctrine.***" You'll notice that he says 'you may repeat this'. Pike continues in [Instructions to the 23 Supreme Councils of the World](#), July 14th 1889: "*Yes, Lucifer is god and unfortunately Adonay is also God..thus..the true and pure philosophical religion is the belief in Lucifer, the equal of Adonay; but Lucifer, god of light and god of good, is struggling for humanity against Adonay, the God of darkness and evil.*" Once again, just turning everything upside down.

The layout of the **Masonic temple** is laid in such a way that the 'sides of the north' is occupied by the Masonic Darkness (where God sits in the tabernacle). Freemasonry is the **inverse** of the **sanctuary** and the tabernacle of God. Lodge number 162 is Albert Pike's lodge. The true writings of their god is hidden in symbols. Understanding these symbols will make things clear that are happening in the world today, that you otherwise would not have recognised. Upon entering this temple, you are faced with a **statue urging you to keep quiet** (finger in front of the mouth) = secrecy and on the floor it says "*All who read here stand facing the east (away from God). Let each review his obligations and renew them in his heart*". The Bacchus Temple and the Jupiter Temple are all characterised by huge pillars (**swastika** on it = sun symbol). The garments that they wear, all have a **sun** on them. Looking up at the ceiling, you'll see the Swastika there as well as a **dragon**. Freemasonry at the highest level is a method of sun worship – no matter which way around the swastika is displayed. The floor is covered with **black and white blocks** – The **worshipful master sits in the east**. On the **northern** side is the **Masonic darkness** as explained earlier. Freemasonry is a religion with sun worship as their basis.

How do these elements infiltrate Christianity?

An image is shown of **The eye** of Lucifer in the seagesimal triangle on a Roman Catholic pulpit in Paris, France. What is it doing there? Another image from Russia with the all seeing

eye sending the blessing over Christ at the last mast. Another image of the wondering bishops with his **two fingers pointing down** and on their tiaras – the all seeing eye with the sun-symbol around it. Another image of an Italian confessional.

Inside the **Anglican church** = black and white square floor; = knowing good and evil – representing man having the knowledge of **good and evil** – Lucifer freed man from the absence of this knowledge. Looking up at the ceiling, there is a **phoenix** rising out of the ashes '*Ordo Ab Chao*' with **sun** on top and in the floor as well as in the floor. **IHS** (Isus, Horis and Set) symbol is found in drapes, cloths, and baptism bowls. The sun symbol with the PX. Looking down at the floor towards the altar – a huge image of the **sun**, which is actually laid out at a **witches coffin**, as well as a white and black **pentagram** (point down – thus in shape of goat) – everywhere throughout [St Paul's Cathedral](#). Once more, at the ceiling, a sign of the Freemasons.

Wake up, wake up and see that God is calling us out of false systems of worship. Calling us out of error means calling us into truth – where should we go. (The final confrontation lecture covers this). That group of people is going to be satans most hated enemy.

Part 2

How does Rome influence the other religions?

Islam: an image of Mecca is shown. It's a religion that has pilgrimages – people spending their life savings worshipping at holy shrines. Also found in the Roman catechism. Pilgrimages are part of pagan religions of going somewhere to receive something. In contradiction to Christianity – Christ is with you always. Islam today covers most of northern Africa, Russia, and China etc. Mohammed married Khadija, who was a Roman Catholic and her cousin was also a Roman Catholic Meccan. (www.anycities.com/jahrtruths/dates.html/printstory.jsp). When his wife died, he fled Medina. This prophet of the Muslims was somehow associated with Roman Catholicism. Robert A Morey in [Islam Unveiled: The True Desert Storm](#) pp48-9: *"Allah. He was the moon god, who married the sun goddess. Together they produced 3 goddesses who called the daughters of allah. These 3 goddesses were called al-lat, al-uzza and manat. [The Encyclopaedia of Religion](#) mentions that allah is a pre-Islamic name corresponding to the Babylonian Bel."* In [Morals and Dogma](#) it is explained that: *"The crescent and disk combined always represent the conjunctive sun and moon."* Islam on its own, point toward the worship of the sun and the moon. The all seeing eye and the baal-hadad was a symbol throughout time in pagan religions. The sun has straight and bent rays. The eucharyst and the monstrous is once again symbolic in the roman catechism in their sun worship. Mary is depicted inside a semi-circle – she is also known as the star of heaven. Approaching a mosque = baal-hadad symbol on roof – in ceiling = sun symbol. The sun as generist (G) [remember the generative principle explained in freemasonry] – the power behind the Generative principle = this comes from ancient phallic worship/sex worship – [Luxor temple](#) is shown but the slides Mark wanted to use were so graphic that he decided to withdraw them. The first thing you notice when walking into this temple is a huge **obelisk** (sun symbol of phallic worship). A Muslim temple is built inside this phallic temple with the baal-hadad on top. These symbols are the same, their temples are built in the same way.

How does freemasonry involve itself in Islam? The Shrine of freemasonry (pointing east) is in opposition to the sanctuary (pointing west). During the initiation ceremony of ? , **Billy Graham** was present and part of an audience of other 33rd degree freemasons as none of the lower orders were supposed to be there. However, it was only published after James was forced to edit the fact that Billy Graham was **present and part** of the ceremony to say that a prominent evangelist was **present** during the ceremony...[The Deadly Deception](#) by **James D.Shaw**. According to James who is now a Christian :*"During the 33rd degree initiation ceremony: The oath is sealed by drinking **Wine out of a Human Skull**: "may this wine I now drink become a deadly poison to me, as the Hemlock juice drunk by Socrates, should I ever knowingly or wilfully violate the same."* **A member dressed as a skeleton places his arms around the candidate who then states:** And may these cold arms forever encircle me

should I ever knowingly or wilfully violate the same. Each of us was presented, along with the Scottish Rite ring, a copy of Albert Pike's book, [Morals and Dogma](#). *We were told that it was the source book for Freemasonry and its meaning. We were also told that it must never leave our possession and that arrangements must be made so that upon our deaths it would be returned to the Scottish Rite.*" So only once you become a 33rd degree Freemason, do you receive this book. *"The York Rite has the equivalent of the 29 degrees of the Scottish Rite and advancement along this path culminates in the degree 'Knight Templar'.*" They were the ones who spat on the cross and who set up the system of secret **Johannism** and public **Goism**. The ceremony continues: *"With the Koran on the altar, we sealed our solemn oath in the name of "Allah, the god of Arab, Moslem and Mohammedan, the god of our fathers. Every Shriner kneeling before the Koran, takes this oath in the name of allah, and acknowledges this pagan god of vengeance as his own and in the ritual, he acknowledges Islam, the declared blood-enemy of Christianity as the one true path."* The Shriner hat they put on has **Moslah** written on it (Moslem and allah). Pike in his book says that the true name of satan, the cabalists say is Yahweh (God) reversed...in typical fashion, they turn it upside down and around and that in Arabic, spells allah. Once you reach this level and you understand that allah is Lucifer and that he is the god of freemasonry, you only realise what you're involved in and that you can channel this 'energy'. [Photo's are shown of Islam's being part of the shrine freemasons.]

Looking at Babel: Arthur Edward Waite wrote: *"Babel, of course represented a Masonic enterprise. Out of evil comes good, however, and the confusion of tongues gave rise to the ancient practice of masons conversing without the use of speech."* This is why they use symbols and where it comes from, because they were trying to unify the world, languages, religions etc. For thousands of years, this has confounded satan's plans – altering his plans by now using symbols etc. Babel was build in a type of **spiral/pyramid** entity it's purpose of spiralling up towards God.

Other figures right at the top of these organisations acknowledging Lucifer as the true god, are **Helena Petrona Patrosky**. Helena founded the company called **Lucifer Trust** – after getting some criticism, she changed the name to **Lucis Publishing House/Trust** and that is the publishing house that today's **publishes all of the United Nations documents**. In her book [Secret Doctrine](#) Vol 2, pp512: *"..mankind..causes daily and hourly the Fall and sin of the Celestial Virgin – which thus becomes the **mother of gods and devils at one and the same time**; for she is the ever-loving beneficent deity to all those who stir her soul and heart. But in antiquity and reality, Lucifer is the name of the angelic entity presiding over the light of truth as over the light of the day."* So according to Helena, founder of the **Philosophical society**, Mary is the male/female god, who actually is Lucifer. She continues in her book on page 513: *"Lucifer is divine and terrestrial light, the holy ghost and satan at one and the same time."*

So here in an Islamic country, you've got Mary on the temple? In Egypt, she explains in her book [Isis Unveiled](#) that the Egyptian Litany, was a lady known as Isis. Isis is the same thing as Mary, the virgin mother, the mother of gods, queen of heaven. It's one and the same thing, but just a different way of marketing this ideology. She further explains on pp41 that "Cyril, the Bishop of Alexandria (which was the seat/library/source of all the luciferian doctrines of that time), openly embraced the cause of **Isis, the Egyptian goddess and had anthropomorphized (made human) her into Mary**, the mother of God and the Trinitarian controversy had taken place. " So people today, bowing down to Mary, they don't realise that they're part of an exoteric teaching where actually on the isoteric side is teaching Johannism (based in Luciferian). Once again this is not known. In the [Book Queen of All – Queen of Rome, Queen of Islam](#), "The Marian apparitions plan to **unite all religions under the Roman Catholic Church**. 1John 2:22 '*Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son.*'

The [Holy Qur'aan](#) states that "**Christ was altogether saved from the indignity of the cross and as if by a miracle of likeness, someone else of the same features was crucified by the Jews under illusion.**" Verse 157 "*And they (Jews) said in boast, we killed Christ Jesus, the son of Mary, the Apostle of God (in the knowledge of God). But they killed him not, not crucified him, but it was made to appear to them..for a surety they killed him not.*" "*God is indignant if Christ is believed to be God himself. Vide 19:5, 75 to 78:5. To say nothing of Godship, Christ is not even the son of God..*"!! The Qur'aan removes Jesus Christ as the only way. Yet, in a photo shown, the pope at the end of an audience with Patriarch Raphael I of Iraq, is seen **kissing the Muslim holy book**, the Koran!!

This is the moment when you can realise that something is obviously going on. If the Koran says what it says about Jesus, why is the pope kissing this book? Because the papacy and Islam worship the same god. Pope John Paul II in a letter addressed to "*My beloved Muslim brothers and sisters*": "*I close my greeting to you with the words..We believe in and confess one god, admittedly in a different way and daily praise and venerate him, the creator of the world and the ruler of this world.*" A News paper article reports: "*Muslims are hopeful despite new pope's past writings – Evangelism is not always active witnessing. But there is always that open-ended invitation. I'm uncomfortable sitting down with Muslims and actively **trying to convert them – that's unfair**. But, if I share the good news as I understand it and someone accepts it..this is an **unintended consequence**.*" Evangelism is not active witnessing? Isn't that what Jesus said we should do? "We will come back to the dialogue table with Muslims to talk about **everything but one thing: belief in Jesus Christ as the one truth.**"

All we have to do, is look into History. 25 September 2006 on www.usatoday.com/news/world/2006-09-25-pope-muslims_x.htm "*Pope calls for dialogue with Muslims*". Once again, everybody comes dressed in dark clothes, only the pope has his

white outfit. [MSNBC](#) reports, "Pope prays during visit to Istanbul mosque". This is the same religion, giving him right to pray in their mosques.

What about **Hinduism**? Can we link them to Rome? www.hinduwisdom.info/symbolism_in_hinduism.htm. "Hindus worship the nameless and formless supreme reality (brahm) by various names and forms. These different aspects of one reality are symbolized by the many gods and goddesses of Hinduism. In no other religion does the supreme being wear so many masks and invite worship in so many different forms as the eternal religion of Hinduism." ([Hinduism](#), pp 145 by Linda Johnsen).

Masonry, Hinduism, all speak about the supreme being which is Lucifer (although people on the ground think they're worshipping God). Helena says once again that Isis of the Hindu is the mother of an incarnated god Vishnu (Devanaki), the mother of christna, virgin most chaste; mother taumatra, virgin trigana, mirror of supreme conscience; wise mother, celestial light, ditto, etc. [Isis unveiled](#) p209. What Hindu's are worshipping is the same as what Isis was in the old pagan religions, the female version of the male Lucifer. [The Infinite Grace of Images – The spirit of modern India](#), edited by RA McDermont and VS Naravane pp136-149 "The Hindu Ishavara (supreme god) is not a jealous god because all gods are aspects of him." Obviously, it cannot be God, for our God is a jealous God. There are only 2 forces in the world – good (God) or evil (satan). www.hinduwisdom.info/symbolism_in_Hinduism.htm "Lord shiva (symbol of dancing shiva) is the totality of existence – male and female, light and dark, creation and destruction. Shiva is shown in various ways. Shiva another well known name is Yogiraja, i.e. the lord of **yoga**."! If you wanted to know if there is anything wrong with yoga, you just have to look into who is the god of yoga? Let's ask **Anton Levey**, the head of satans church in [The Satanic bible](#), New York: Avon Books, 1969 p60, 145 "There's no contradiction here, for Set if the Egyptian devil and Shiva is the Indian god of destruction. Both names, **Set and Shiva** are also listed in the satanic bible as another name for **satan**." Helena Petrovna Blavatsky affirms: "Now, we have but to remember that Siva (Shiva) and the Palestinian Baal or Moloch and Saturn are identical." Once again, this is sun worship once again marketed in a different way. Alice Bailey in [Discipleship in the New Age](#), vol II, New York, **Lucis Publishing Company**, 1955 pp265: "Eye of god is shiva (or siva), the destroyer. Remember, shiva is the Indian god who is equivalent to Osiris. Shiva is also a synonym for **satan**." Surya Namaskara or the 'sun salutation' is a well-known Hindu mode of worship of the devotional movements of surya, done at the rising of the sun. <http://en.wikipedia.org/wiki/surya>. This is not our Biblical God. The swastika is also a symbol in Hinduism. Koenraad Elst explains that "Indeed the swastika is an obvious symbol of cosmic cyclicity, hence of endlessness or eternity..it suggests that the **world never started and will never end** that every cycle is preceded and followed by more cycles. For Jains even more than for the Hindus and Buddhists, the swastika is part of their identity: a hand with a swastika on it is the official symbol of Johannism." The Baal-hadad is also embedded in almost all their symbols. [A photo is shown of pope John Paul II receiving

the shiva mark upon the forehead by a pagan priestess.] Why, if he is a supposed Christian, does he not 'freak out'? Because they worship the same god.

What about **Buddhism**? Ganesha – the lord of beginnings: *“Lord ganesha, popularly known and recognised as the elephant god, is one of the most important deities of the hindu pantheon. Lord ganesha is the son of lord shiva and goddess parvati (also known as ganesha buddha in Japan. www.hinduwisdom.info/symbolism_in_hinduism.htm. Once again, they all worship the same god and are unbeknowingly to the members participating in sun worship. In the Tibetan Buddhism, the practice associated with ganesha, as Buddhist tantric deity, survives up to this day. In Greece, janus, the god in greek mythology, has the head of an elephant. Sometimes, he is depicted as a two-headed deity. In Tibetan Buddhism, they worship the same god as in Hinduism. The history books recorded hindus seeing a footprint of their god before he was anthropomorphasized (made human). An image was drawn up of this supposed footprint with the sun (as swastika symbol) depicted on the heel, foot and swastika under every toe.*

What about **Judaism**? The six-pointed star (star of David) is a symbol of sun worship from ancient times. Looking at the sun worship temples of ancient times, the 6-pointed star is depicted. The star has nothing to do with David but a symbol used in sun-worship temples in honour of Lucifer. Judaism on the isoteric side is sun-worship. JSM Ward in [Freemasonry and the Ancient Gods](#): *“With the point upwards, the equilateral triangle stands for shiva the destroyer. This symbol is familiar to us [the masons] in several degrees, notably the 30th degree”*. Hindu symbol for surya yantra also has the 6-pointed star in their symbolism. Looking at Tarrot Binding and symbols involved with putting out these tarot cards, on the centre of them you'll find the 6-pointed star. Even though, this has nothing to do with Judaism, this is a stand of approval that satan has put on Judaism, because quite a while ago, he blocked them from understanding the Prophecies of Daniel 9. If any of the Pope's go to Israel today, you'll find them worshipping and bowing down at the western wall as shown in a photo. Judaism inside is the same as Catholicism on the inside. God is calling on them not to wait for another Messiah, because He has already arrived and died for you. There is a messiah coming, he's called the **metriah**, the **cosmic Christ**, the **new age Christ**, but that is the **impersonation** of the true messiah.

Of the Christianity, Islam, Hinduism, Buddhism, Eastern religions, non-religious, primal indigenous – all of them have been infiltrated and deceived into sun worship in some form or another. Is the Bible correct in saying *'the whole world wondered after the Beast'*..yes it is! [BBC](#) reported on the 2April, 2005 that “The pope was the only one to be a world evangelist; he could visit all faiths – Islam and Judaism. He **prepared the way for a religious new world order.**” And then news24.com released this article on 20th February 2006, “Respect for religion urgent – In the current international context, the Catholic Church

remains convinced that to encourage peace and understanding between peoples and individuals, it is necessary and urgent that **religions and their symbols be respected.**"

Why would the people call for religions and the symbols to be respected? All religions are following the beast. Ecumenism – unity towards the east in sun worship. An image is shown on [Time Magazine](#) dated 27 November 2006 of the Pope, just hinting a bow towards the symbol of Islam (sun with the crescent moon). These people know what they're doing. Rev 13:2-4 and Revelation 18:5 '*come out of her My people*'. Jesus Christ is calling you out of a false system of religion.
