### THE POISON IN THE PASSION

#### PART 1

The audio track is 'hypnotic' – warning that the visuals and audio allow us to **drop our cognitive ability** and possibly allow some sort of infiltration.

Church Leaders: Billy **Graham**, Kenneth **Copeland**; Robert **Schuller** all agree its 'worth watching' and is an 'accurate account', Tim le Hay – positive. The **Vatican** states: "if they're critical of the film, they'll be critical of the gospel" – but which gospel is he talking about? **Rick Warren**: "brilliant, masterpiece, historic". Darrell Bock – "substantially accurate". **Pope John Paul 22<sup>nd</sup>** ...'it is as it was"

Sold 4.1 million copies on the first day, 611 mill USD

It was made using **16<sup>th</sup> century Latin** (with very deep occult relations – (language of the inquisition).

Flows directly out of **Gibson's personal dedication to the Catholicism** in one of its most mysterious forms...the 16<sup>th</sup> century...Mel Gibson

**Jesuit** (Dr William Fulco) is the man who translated some of the scripts..Mel Gibson received his doctorate [Ignasios Loyola University](#) - founder of the Jesuit movement)..their **goal is to destroy Protestantism and bring people back to catholicism.**

[The world seen from Rome...](#)"if the mind doesn't understand, so much better" People are heralding the movie as even greater than the Bible in its representation of Jesus' death.

Mel Gibson was renewing his Catholic faith and purchased a library of hundreds of books from a closed nunnery. Mel claims as he was reaching for a book on the library shelf, a supernatural intervention caused another book to 'miraculously' drop into his hands'. And that 'miracle book', not the Bible, not the Gospels, is the inspiration for the passion. '[The Dolorous passion of our Lord Jesus Christ](#)' according to the **Meditations of Anne Catherine Emmerich**. Gibson claims like 'magic' the book opened up a new world.

**Who is Anne Catherine Emmerich**: born on the feast of the Virgin Mary's own nativity: Sep 8 '1874, she became a nun with supernatural visions very early in her life. She was frequently found practicing the occult art of **levitation**. She also practiced **astral projection**, claiming to have watched the actual execution of King Louis XVI and visited Marie Antoinette, queen of France in prison. She experienced virtually every satanic supernatural and occult practice known (Dial-the-truth Ministries

[www.av1611.org/passion/passion.html](http://www.av1611.org/passion/passion.html)). **Occult** means **hidden/disguised**. Levitation understood as tapping into supernatural – being in a state of semi-cognitive state/hypnotes at which time). When her body was exhumed (thought body was stolen), it was not decomposed at all. Emmerich also bore the actual, physical wounds of Jesus Christ, called the **Catholic mystic stigmata**. At times the blood flowed so heavy from the supernatural stigmata wounds, the blood would completely soak the bandages and freely flow on the ground. For the last 12 yrs of her life, she only ate the Eucharistic bread and water (satanic transubstantiation). She claims to have 'seen' the creation of heaven, the fall of the angels, the creation of the earth, the actual crucifixion of Jesus'. **These demonic crucifixion visions, became the inspiration for the movie..NOT the gospels!** It is definitely not based in scripture, but in human experiences and emotions. The **mass** was the be all and end all for her.

1Tess 5:21 '*examine everything*' Exo 23:2 '*don't follow the masses*' 1Pet 5:8 '*be sober and vigilant*'

**First scene:** "Satan, who was enthroned, let loose his fury against Jesus...this is the only place where it's acknowledged that Jesus is the Savior". Jesus is in absolute anguish, He leans forward, as he lifts up, someone is there...Looks up, looks up at the moon, camera turns and shows image of the being 'female who speaks as a male' = baphomed (occult image of satan); to Jesus, torturing Jesus. Satan looks at Jesus, Jesus calling on God, moon covers over, in other words, God has left Him. He falls forward on his face...as satan speaks, moon opens up again..Underneath the dress..snake. Showing that Jesus in receiving his 'strength' from the moon. Re-enforced, He crushes the head of the snake with his heel.

**UNBIBLICAL**

The Bible says in Luke 22:40-43 '*and there appeared an angel unto him from heaven*'...

Mary wakes up and is aware of the agony of Jesus - **UNBIBLICAL**

They threw him off the bridge – **UNBIBLICAL**. Hypnotic state – **90% don't remember this image of Jesus being thrown off the bridge**. In these scenes are hidden messages and traumatic scenes. Jesus receives a right blow over the head. Eye starts to swell closed. - **UNBIBLICAL**

The pope says '*it is at it was*'..which gospel? '*Simon, son of John, why dost thou not answer me?*' - **UNBIBLICAL**

The wiping up of Jesus blood - **UNBIBLICAL**

Why is Mary Magdalene wearing catholic clothing? **Monica Balluchi** played the role..google Monicaballuchi..757 000 websites depicting her in a **pornographic** positions.

Mary giving Jesus His strength? - **UNBIBLICAL**

**Veronica** wipes Jesus's face? Why is this in there – give rise to the idea that there is a cloth with Jesus face imprinted in it '**Holy Face on the veil of Veronica** – 2006 - **UNBIBLICAL**

**Simon of Cyrene**: he supported Jesus – **untrue**. He did not help Jesus, [Mark 15:21](#) – he carried the cross - **UNBIBLICAL**

Mary is at the feet of the cross, body is taken off...'placed in the arms of the blessed virgin'? **UNBIBLICAL** and not true – he gave the body to Joseph...Pieta in St. Peter's Basilica in Vatican City depicts Jesus in Mary's arms.

**The 'stations of the cross'** is the Catholic sacred ritual where they walk the footsteps of Jesus. It is vital to the catholic faith..the stations of the cross are commonly referred to by Catholics as **the passion**. There is no doubt the **underlying foundation of the passion is the 14 stations of the cross**. It is a catholic ceremony from where Jesus is condemned to crucifixion and fulfils a certain process.

1. Jesus is condemned Luk 23:24
2. Jesus carries his cross John 19:17
3. Jesus falls the first time – **not in the Bible**
4. Jesus meets his mother – **not in the Bible**
5. Simon of Cyrene helps carry the cross – **not in the Bible**
6. Veronica wipes Jesus' face – **not in the Bible**
7. Jesus falls a second time – **Not in the Bible**
8. Jesus meets the women of Jerusalem – Luk 23:27-31
9. Jesus falls the third time – **not in the Bible**
10. Jesus is stripped of his garments (John 19:23)
11. Jesus is nailed to the cross Mark 15:24
12. Jesus dies on the cross Mark 15:38
13. His body is given to Mary – **not in the Bible**
14. His body is laid in the tomb Matt 28:60

Mel Gibson: "***the film features much from Catholic tradition that is not based directly on Scripture*** – such as Jesus' passing through the Stations of the Cross and his mother Mary being by his side much of the way". They know things are involved that are not Biblical. **The idea is trying to explain that the sacrifice on the cross and the sacrifice at the altar (mass) is the same thing?** To them it is the same thing. The Eucharistic Mass belief is that at that point, **Jesus (the eucharist)** is taken out of heaven and placed into the monstrous, in other words **sacrificed again**. Luther, Calvin and Melanchton denied that the Mass is a sacrifice. The Catholics declare the mass is a true sacrifice..**you cannot re-crucify Christ**. You're an abomination to the Catholic Church if you do not believe the Christ in His entirety is in that

Eucharist – you are re-crucifying Christ by eating the eucharist and drinking his real blood by drinking the wine.

As the blood drops off the elbows..the movie shifts back to Christ drinking 'the blood', explaining according to them the (transubstantiation) – blood of Jesus. **Everytime you watch the movie..Jesus is re-crucified through the mass.**

Heb 6:6 Warning

Heb 10:10, 14 sanctified one

Every morning before filming, Mel G and the actor received mass. The actor – Jim Caviezel said in an interview concerning Mary's omniscience role in the passion: *"I ask Mary to guide me and my career...This film is something that I believe was made by Mary for her Son"*.

**Mary is depicted as the co-redemptress**, strengthening Jesus – see how Jesus is constantly being depicted as 'watching Mary' – she is the strength enabling Jesus..at the last moment, Jesus looks up at the Sun..symbol of satan

An image is shown of the nails that form a hidden occult message - an **upside-down pentagram**. It is done in such a way that you cannot see it without pausing or looking specifically for it. Look at Mary looking at the camera, her hand is positioned in a strange way, sending a message - this signal points to the image of mary as the **co-redemptrix, mediatrix** with holes in her hands depicting her as such.

**(you have to see this image!!!)**

## Part 2

*Hidden things in the movie..*

This has to do with the **false trinity** = God the father, mother and child.

**Del Tackett** (EVP of **Focus on the family**): *"It has been 3 weeks since I saw the rough cut of The Passion. It is still impacting my life. I can't stop thinking about it nor can I stop talking about it. I have never seen a film that has so affected my life"*. Satan makes a noise in one area, but do something wicket where you don't notice. The sub-conscious images are in your mind – imprinted – even if you can't remember it.

The **Hawaiian Council** called this **"the most violent film ever seen"**

Incredible violence is created in this film..our mind gets so focused on that, that we leave the backdoor open i.e. Hanging around the thief's neck is a scapula that will enable him to go into paradise. It has nothing to do with Jesus.

**The upside down pentagram:**

1Pet 1:13 *'protect your mind'*

II Kor 4:4

**Baphomet** points to good and evil (combination off...where good meets evil) – 2 fingers up and 2 fingers down. [www.ocultpedia.com](http://www.ocultpedia.com). All ancient pagan religion have mother-child simbology. **Via-dela-Rosa**: satan on the right of Jesus, Mary on the left, so Jesus becomes the point where good and evil come together – the same as baphomet. Also, Jesus is being whipped, Lucifer walks past with a child in his arms, the child stroking lucifers face. Satan is looking towards his left. They are depicting the connecting point between good and evil. They are depicting the spiritual opposite of Jesus Christ – the birth of anti-Christ taking place.

The **one eye** (Jesus' one eye swollen closed from the punch on the bridge). Jesus depicted as the one-eyed Messiah – also used as a symbol by Mel Gibson in his business **ICON**. Barabbas also was depicted with only one eye.

The un-repentent thief – Jesus leans back (shows the horned hand). The thief looks up at the crow – crow takes out his eye (right eye). Thus Mel's movie house, **Jesus, Barabbas** and the **thief** are **all depicted with one left eye**. The **All Seeing Eye** is an import symbol of the supreme being. They want to depict Lucifer and Jesus Christ as one and the same. Jesus' two fingers pointing out up is showing He's the 'good' pointing at the moon. So the image of Lucifer is being superimposed on Jesus Christ.

Resurrection - Jesus is showed in a position of meditation, looking up, light shining on Him, but then he closes his eyes and when he opens them, there's a new expression on his face. Jesus is however **naked – not BIBLICAL**. The **Council on Foreign Relations** logo **portrays the Antichrist as a one-eyed, left-eyed naked messiah riding a white horse**. (Massonic and Occult). These are the people working towards a one-world order. Zecha 11:17. The one-world order messiah is depicted in this movie. **SATANIC**.

[Jeremy Rifkin](#): *"The Evangelical churches will be the driving force behind the new world order"*. [Heb 6:6](#) *'impossible to bring them back from repentance if they continue to nail Christ to the cross..'*

**Four main reasons for launching the film: They want you to believe that:**

- **Salvation** is only available in the **eucharist**
- To place **Mary** in the role as **co-mediatrix**
- Announces the **arrival** of the **antichrist** (in an image of 'good')
- To subconsciously implant the idea that **Jesus** and **Satan** are one and **the same**

<http://cuttingedge.org/detail> The whole Christian world is silently going through the dramatic change in religious thinking. Until this shift occurs, antichrist cannot arise. Such a '**paradigm shift**' is now under way, powered by 3 major factors running together simultaneously:

- **Purpose driven church** (Rick Warren)
- **Da Vinci Code**
- **The Passion of the Christ**

Christianity are being twisted to accept new ideas. The Jesuits have got their fingers in everything. Hand 17:11 *'search the scriptures daily'*..

## The Battle for the mind

**Jesus and the Gurus** – horned hand – sign of recognition between those that are in allegiance with each other and satan. It used to be done in secret, now it is done much more open and is more prevalent. George **Bush** showed this symbol regularly. Bill **Clinton**, John **Kerry**, Dio (rock band); king abdula; prince **William**, metallica, John Edwards, Yasser Arafat; spiderman; Ugeo shows the symbol of pahamet; owners of Mc Donalds ; Kid Rock, Beetles; Kenneth **Copeland**, Billy **Graham**, Copeland ministries, Avril Livene; Meryl Streep – movie: Angels; Bono is very influential – on world economic forum – wears a bent cross, **Mandela's** prison number was **morphed** from **4664** to **46664**. He received an honorary knighthood – suggested lord of lords as a possible 'title'. **Bono** often covers up his right eye. (refer back). Bono is seen on the short list of the Worldbank Chief.
